## AUTO BENEFITS

### *Benefits in This Chapter*

- Purchasing a New Car
- Auto Insurance
- Discounts on Tires and Service
- Car Rental
- OPEIU Towing/Service Calls Benefit

### **1. Purchasing a New or Used Car**

#### **Union Plus Auto Buying Discount**

Through this program, OPEIU members and their families can save an average of \$3,000 off the manufacturers' suggested retail price of a car. You can see what others paid for the car you want and lock in guaranteed savings on new cars and discounts on used cars. You can also get a \$100 rebate when you buy a new union-made car and a \$200 rebate on a new union-made EPA Green Car (hybrid). You can receive an additional buyer's bonus benefit worth up to \$2,000 for deductible and repair expense reimbursement.

This program connects union members and their families with certified dealers who offer upfront, online pricing and guaranteed savings, as well as seeing what others paid for the same car so you have the confidence that you're getting a great deal.

1. Select the new or used vehicle and options you want.
2. View your upfront pricing information and/or estimated savings off MSRP)\*.
3. Compare the upfront pricing information to what others are paying for the car you want on the TRUECar Price Curve.
4. Enter your contact information to view up to three local dealers and lock in your Savings Certificate (There is no cost to use the program and no obligation to buy. You will not be contacted until you request a Savings Certificate).
5. View your certified dealers and visit the Certified Dealer Representative with your Savings Certificate for a hassle-free car buying experience.

If you purchase a new, qualifying union-assembled vehicle, you will receive a check for \$100 within 6 to 8 weeks after purchase. You will receive a \$200 rebate if you purchase a qualifying new, union-made EPA Green Car. The rebate checks come from Union Plus and not from the dealer. Union Plus receives a monthly report on the sales activity from the program provider to verify that a rebate check should be sent to a member who purchased a qualifying vehicle. This process is automatic; there are no forms to complete.

## CHAPTER 9

# INSURANCE BENEFITS/DISCOUNTS

### Benefits in this Chapter

- Auto Insurance
- Renters Insurance

## 1. Auto Insurance

### A Great Auto Insurance Deal for OPEIU Members!

One of the most consistently beneficial programs available to OPEIU members through the Union Plus program is auto insurance.

It's true! Many members who take advantage of this benefit not only end up saving money, they also get extra services and discounts. It's a great deal. And it's an especially great program for drivers in New York and New Jersey, two of the top three states when it comes to high auto insurance rates. In short, there is nothing to lose in checking out the Union Plus auto insurance program but, plenty to gain for those who sign up.

The most important thing to remember about the Union Plus auto insurance benefit is that it will not save money for every union member that seeks rate quotes. But it will save money for most members who do. In fact, union members are saving an average of \$507 a year through this program. Some will save as much as \$600 a year or more.

The reason for the savings is that the program obtains multiple price quotes from a variety of insurance companies. Under the plan, union members can get free auto insurance quotes in two ways. They can obtain the free price quotes online or they can call 1-855-666-5797. In either case, studies show that many will save money by doing so. We should note that members who reside in New Jersey will not be able to obtain auto insurance price quotes over the phone due to state law. They will, however, receive their quotes promptly by mail.

There's more. An added measure of security is built into every Union Plus-sponsored auto insurance policy. Members' coverage includes free access to 24-hour roadside assistance and emergency travel assistance.

The plan provides auto insurance coverage that members can trust. And, yes, the program has auto insurance policies available for drivers with less than perfect driving histories. It also offers freedom of choice, meaning that union members can select body shops or mechanics if repairs are necessary.

The program provides round-the-clock service, and top quality assistance. Every call made to the Union Plus auto insurance program is answered in the United States!

The average savings for union members of \$507 annually is based on all new Union Plus auto insurance policyholders who reported their prior carriers' premiums when they switched to Union Plus. Of all new policies issued during this period, 86.7 percent realized savings. Savings can be even larger for those families that have more than one car.

Now that you know these facts about Union Plus auto insurance you may want to get a price for your own auto insurance. You can do so online at [Unionplus.org](http://Unionplus.org) or by phone at 1-855-666-5797.

As we said, Union Plus auto insurance was found in the last year to save money for 86.7 percent of the drivers that used the program. Will it save you money? It costs nothing to find out. Visit [Unionplus.org](http://Unionplus.org) or call 1-855-666-5797 and ask for a representative.

## 2. New! Union Plus Renters Insurance

### Union member discount of up to 15%
